

FIELD TRIP RULES

SeaWorld

Please review these guidelines with your students in class before your field trip.

- Every student must submit a signed liability release form in order to attend the trip.
- All persons, bags, parcels and other items may be subject to screening/security checks. SeaWorld reserves the right not to allow any bag, parcel or other item to be brought inside the park.
- **SeaWorld rides and Bay of Play area are not permitted** during field trips.
- Proper, appropriate attire must be worn at all times. **Students should wear comfortable, closed-toed shoes that are good for walking.** They should dress in layers and wear sunscreen and a hat.
- **No running, yelling, horseplay, or climbing** on any walls, benches, or exhibits. Students must stay on designated pathways rather than take shortcuts.
- **Line jumping, profanity, and unruly behavior are not tolerated** and may be cause for immediate ejection from the park.
- Students may take photos, provided that cameras do not cause a distraction to other guests or a disruption to wildlife. **Students are not permitted to bring any type of electronic game** inside the park.
- SeaWorld will still be open to the general public during the field trip. **Students must show good behavior and be courteous and mindful of all other guests, chaperones, instructors, park staff, and exhibits.**
- Be respectful of all wildlife, both inside and outside the exhibits. **Do not feed animals without permission. Do not touch exhibit glass,** as this causes undue stress to the animals and can be harmful to their health.
- **Hands must be rinsed with clean water before and after use of the touch tanks.** Remind students to touch softly and warn them not to restrain, grab, or pick-up any of the animals. It is especially important not to run or yell near the touch tanks.
- **Students must stay with the group with their assigned chaperone and follow directions** provided by Ocean Connectors instructors and SeaWorld park staff at all times.
