

## STUDENT SURVEY

### *Whale Exploration*

1. Whales “migrate” thousands of miles from one place to another, which means they\_\_\_\_.
  - A) swim from where they sleep to where they play
  - B) move as far away as possible from humans
  - C) swim from where they feed to where they give birth
2. The main problem with whales getting trapped in fishing nets is that \_\_\_\_\_.
  - A) the whales mess up the nets and other expensive fishing gear
  - B) the nets can hurt whales and cause them to drown
  - C) the nets make it hard for whales to see where they’re going
3. Whales are threatened by \_\_\_\_\_ and \_\_\_\_\_.
  - A) bycatch and large ships
  - B) fireworks and loud music
  - C) lifeguards and scuba divers
4. To help protect whales, people should \_\_\_\_\_.
  - A) never go on boats
  - B) think carefully about their seafood choices
  - C) let the fishermen catch fish however they want
5. Climate change might cause problems for whales because \_\_\_\_\_.
  - A) there are more and more predators that eat whales
  - B) there is less seaweed for whales to hide in
  - C) sea ice is melting near where some whales find their food

6. How often do you think about the environment or animals?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

7. How often do you pick up litter that is not your own?

- A) Never
- B) Less than once a month
- C) A few times a month
- D) About once a week
- E) More than once a week

8. I feel it is important to help the wildlife living in our oceans and natural areas.

- A) Not at all
- B) Not really
- C) Kind of
- D) Pretty much
- E) Definitely

9. I feel it is important to protect wetlands and coastal habitats.

- A) Not at all
- B) Not really
- C) Kind of
- D) Pretty much
- E) Definitely

10. I feel that I can help solve environmental problems.

- A) Not at all
- B) Not really
- C) Kind of
- D) Pretty much
- E) Definitely
